

## 2010 Coast to the Capital Law Enforcement Torch Run for Special Olympics

Law Enforcement Officers from across the state are involved in the Torch Run for Special Olympics and the Officers from the Lowcountry are no exception. Beginning at 11:00 am on May 06, 2010 Law Enforcement Officers will begin an approximately 125 mile relay of a Special Olympics torch from the sands of Sullivan's Island to the steps of the Statehouse in Columbia. Appropriately deemed the Coast to the Capital this event will coincide with relays from other parts of the state and conclude at a press conference at 11:00 on May 07, 2010 to announce the beginning of the Special Olympic Summer Games. Later that evening officers will join forces for an eight mile run from the Capital to Fort Jackson where the torch will be carried into the Summer Games. With this effort, we hope to raise awareness and donations for the Special Olympics. This represents Law Enforcement's continued commitment to provide support for South Carolina's approximately 15,000 Special Olympic athletes.

Anyone interested in supporting my efforts please do not hesitate to donate directly at <http://www.firstgiving.com/stangragg> or contact me and I will offer assistance and/or directions for other support opportunities or participation information. Corporate sponsorships are available through t-shirts worn by officers during the relay, and/or magnetic signage or banners attached to support vehicles.
